Tampilan Utama E-Journal IGI Global

The screenshot shows the homepage of the IGI Global InfoSci Platform. At the top left is the IGI Global logo. To the right, there are links for 'Login', 'Register', and 'Language: English'. Below the logo is a navigation menu with 'Database Search' and 'Research Tools'. A search bar is present with the placeholder text 'Enter full-text terms, title, author, ISBN, or DOI'. A dropdown menu for 'Kementerian Kesehatan Republik Indonesia' is visible. The main content area features a 'Welcome to the InfoSci Platform' message and a list of benefits for subscribers, including 'Unlimited Simultaneous Access', 'No Embargo of Content', 'No DRM', 'Full-Text HTML', and 'Formatted Citation'. At the bottom, there are sections for 'e-Book Collection' and 'e-Journal Collection'. Callout boxes provide additional context: a blue box points to the logo, a yellow box points to the subscriber name, an orange box explains the search panel, a yellow box points to the language menu, a red box explains the search boxes, and a green box points to the e-journal collection menu.

Menu Pencarian Artikel IGI Global :

The screenshot displays the IGI Global website's search interface. At the top left is the IGI Global logo with the tagline 'PUBLISHER of TIMELY KNOWLEDGE'. To the right, there are links for 'Login', 'Register', and 'Language: English'. Below the logo is a navigation menu with 'Database Search', 'Research Tools', and 'User Resources'. A search bar is prominently displayed with the placeholder text 'Enter full-text terms, title, author, ISBN, or DOI'. A dropdown menu is open below the search bar, showing suggestions for the search term 'Health': 'health', 'health aid', 'health behavior', 'health care', and 'health care policy evaluation'. A red arrow points to the search bar. Below the search bar, there are three featured sections: 'e-Book Collection' (access to 0 of over 5,900 reference books), 'e-Journal Collection' (access to 232 of over 230 research journals), and 'e-Collections' (access to 1 IGI Global e-Collections). A 'Research Friendly Features' section lists benefits such as unlimited simultaneous access, no embargo, and full-text HTML and PDF viewing options.

- Basic Search memungkinkan pengguna untuk mencari penulis, publikasi dan konten.

The screenshot displays the IGI Global website interface. At the top, there is a search bar with the placeholder text 'Enter full-text, title, author, ISBN, or DOI'. Below the search bar, there are navigation menus for 'Database Search', 'Research Tools', and 'User Resources'. The main content area shows the article details for 'From Stopout to Scholar: Pathways to Graduation through Adult Degree Completion Programs' by Matt Bergman. The article is from the 'International Journal of Information Communication Technologies and Human Development', Volume 8, Issue 4, October-December 2016. The abstract is visible, starting with 'Although colleges and universities are facing increased scrutiny to demonstrate a return on investment for their students, the demand for college-educated workers continues to grow. As of 2010, the U.S. Census Bureau estimated that more than one-fifth of Americans age 25 and older—around 43.5 million people—have some postsecondary education but no degree (Lindsay, 2012). This article presents an

Two arrows are overlaid on the image: a purple arrow pointing to the search bar and a green arrow pointing to the download and save icons in the article viewer toolbar.
