TINJAUAN MATA KULIAH ................................................................. ix

MODUL 1: MANUSIA DAN KOMUNIKASI 1.1
Kegiatan Belajar 1:
Memahami Komunikasi ............................................................. 1.2
Latihan ................................................................. 1.10
Rangkuman ................................................................. 1.10
Tes Formatif 1 ................................................................. 1.11

Kegiatan Belajar 2:
Manusia Berkomunikasi ........................................................... 1.13
Latihan ................................................................. 1.21
Rangkuman ................................................................. 1.21
Tes Formatif 2 ................................................................. 1.22

Kegiatan Belajar 3:
Motif Manusia Berkomunikasi .................................................. 1.25
Latihan ................................................................. 1.32
Rangkuman ................................................................. 1.33
Tes Formatif 3 ................................................................. 1.34

KUNCI JAWABAN TES FORMATIF .............................................. 1.35
DAFTAR PUSTAKA ................................................................. 1.37

MODUL 2: SEJARAH DAN PERKEMBANGAN ILMU KOMUNIKASI 2.1
Kegiatan Belajar 1:
Dinamika Ilmu Komunikasi ...................................................... 2.2
Latihan ................................................................. 2.12
Rangkuman ................................................................. 2.12
Tes Formatif 1 ................................................................. 2.13
